Gypsum Ceilings Solutions

Made from recyclable natural gypsum

Designer Excellence At Your Fingertips

Ceiling Visualisation Tool for Designers and Architects

With the Gyptone® Visualiser, you don't have to imagine how your space could look - you can see it with your own eyes. Choose a room - classroom, hospital, or living room - and select one of the different tiles or BIG[™] boards to get a stunning preview of a model project.

TRY the **Gyptone**[®] Visualiser

Get in touch today to find out more about Gypsum Perforated Ceilings Solutions.
